# *The Leir Foundation*

*The Leir Foundation's generosity over the past several years has contributed to the city's Lighthouse Program Scholarship Fund allowing 5% of the students at each Lighthouse site to attend the after school program for free.*

*The foundation has also been instrumental in helping us move toward our goal of combating childhood obesity through the yearly donation to Healthy Kids Day. Leir has provided Lighthouse students with countless experiences by offering educational workshops and field trips to the Museum of Natural History in NYC. We appreciate their ongoing professional development series which has enlightened many of us along the way. We can't thank Mr. and Mrs. Leir enough for leaving a legacy of giving and are grateful for their ongoing support and dedication to Bridgeport children.*
